Welcome to the programme-specific regulations for the Faculty of CEM. These are additional requirements, normally in place to address requirements outlined by a Professional, Statutory and Regulatory Body (PSRB). They relate to NEW level 4 (first year) undergraduate students from September 2022 onwards, both on block delivery programmes and on programmes with other delivery patterns, so students in level 5 in 2023/24 will now be subject to these regulations. They also apply to new postgraduate students from September 2023. Please refer to the academic regulations for further details.

Please note, there is a separate set of programme-specific regulations for taught programmes which apply to continuing postgraduate students and undergraduate students in level 6 or level 7 in 2023/24.

For further information please contact your Associate Dean (Academic) in the first instance. Alternatively, please contact Sally Lloyd, Department of Academic Quality, slloyd@dmu.ac.uk.

c. Intended awards

i. Direct entrants to Level 5 or Level 6 not meeting the eligibility requirements for a BCS-accredited award on entry, will study the non-accredited 'BSc (Hons) [Programme Title] Studies' intended award in all cases except G40051 Computer Science, whose intended non-accredited award is 'BSc (Hons) Computing Science'.

d. Passing a module/Compensation for BCS accreditation

i. To be eligible for a BCS-accredited award, compensation is limited to a maximum of 30 credits across all levels of the programme. This compensation may reflect any combination of taught programme modules adding to the total of 30 credits. The Level 6 project module cannot be compensated.

b. Volume of RPL credit which can be allowed (Reg 7.6)

i. 45 credits of RPL can be granted to students with a previous City & Guilds Forensic Road Collision Investigation qualification. Students granted this RPL take ENGS1005 to gain their UCPD award.

ii. Where no RPL is granted, students must study and pass ENGS1002, ENGS1003, ENGS1004 and ENGS1006 to achieve their award.

iii. In addition to standard DMU regulations relating to RPL, students wishing to apply for RPL must have been awarded credits for relevant study no longer than 5 years prior (10 years for maths-based credits) to their enrolment on this programme. A student unable to satisfy this requirement must provide evidence of the currency of their understanding in the subject to be granted RPL.

c. Classification of awards

i. Contrary to Regulation 4.7 and Appendix 2, the award of UCPD in Forensic Road Collision Investigation will only be classified as pass (when 40% or over is achieved in mark for classification) or fail (when under 40% is achieved in mark for classification).
